

Shaun Farrell – Operations Co Lead

Shaun Farrell, UK Information Manager Service Lead at BuroHappold Engineering has joined the Executive Team where he will take the role of co-leading the UK BIM Alliances' Operations team with Stephen Holmes.

Shaun has been involved with the UK BIM Alliance as an event attendee and industry supporter from the beginning and for the last 18 months co-leading the BIM Regions London with Sarah Rock.

Shaun has previously been the BIM Manager at Zaha Hadid Architects, the BIM lead for Mace on a large project in Russia and as Associate Director for BIM at Turner and Townsend, leading the team and delivering projects in London and the southern, region and most recently joining BuroHappold Engineering to create and lead the Information Manager Service for Clients.

Shaun is currently reviewing their Information Management requirements for the UK BIM Alliance and researching a suitable platform for the management of their operational data.
